Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Grantville Safe Parking Site Construction in Fiscal Year 2024. The entity to receive funding for this project is the County of San Diego, located at 1600 Pacific Highway, San Diego, CA 92101. The funding would be used to build and maintain an overnight Safe Parking site for unhoused individuals living in their vehicles at a County-owned site in the Grantville neighborhood of the City of San Diego.

The project is an appropriate use of taxpayer funds because San Diego County has seen a substantial increase in its unhoused population, including those living in vehicles. The Safe Parking Program not only gives these individuals a place to safely stay overnight, it also provides services to navigate them toward permanent housing. The Safe Parking Program is an effective and scalable program that will help alleviate San Diego's and Southern California's homelessness and housing crises.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sara Jacobs
Member of Congress
